4. REPORT FROM EXECUTIVE DIRECTOR, DISTRICT CONSERVATIONIST AND DIRECTORS' COMMENTS Leigh and Rita will give an update on current projects and activities. Board Directors comments and updates may also be given.

5. CONSENT CALENDAR

All items on the consent calendar are considered ministerial or non-substantive and subject to a single motion approval. With the concurrence of the Chair, a Board member may request discussion of an item on the consent calendar.

A. RCD Activity Report for October.

B. NRCS Activity Report for October.

C. Authorization for President to sign agreement with Putah Creek Watershed Group (PCWG) for RCD to provide technical assistance related to implementation of Water Board regulations for irrigated agriculture in the Sacramento Valley.

RCD has provided program and water quality monitoring assistance to the PCWG since 2004. This year, RCD anticipates providing assistance related to requesting approval of a reduced surface water quality monitoring program and requesting approval of a program to address Water Board requirements related to sediment and erosion control plans. Maximum compensation for the period November 1, 2015 through October 31, 2016 is \$4,000.

D. Authorization for President to sign agreement with Marin RCD for Napa RCD to participate in Regional Carbon Farm Planning Project awarded by State Coastal Conservancy Climate Ready Program.

This project is a partnership project between Marin RCD, Gold Ridge RCD, Sonoma RCD, Mendocino RCD and Carbon Cycle Institute. Funds from the agreement are available to develop farm plan templates that encourage conservation practices known to

sequester carbon, provide training to RCD technical staff that will provide conservation planning assistance, and develop 4 “carbon farm plans.” Maximum compensation is \$50,000 and the term of this agreement is September 21, 2015 through September 2017. Funds from this grant leverage NRCS Regional Conservation Partnership Program funds that were awarded several months ago.
