

Bay-Friendly Garden Month UC Master Gardener Help Desk

The Napa Chapter's Help Desk is open to answer your garden questions by email and phone. Wondering what that brown spot is on your plants? Have a shady spot and don't know what to plant there?

Master Gardener volunteers are working remotely and they will get back to you after they research your questions.

You can submit your garden questions

through voicemail by calling 707-253-4143
by filling out a **DIAGNOSIS FORM** at
