- [UCANR Forest Stewardship Workshop Series](#)
- [Halt the Hitchhiker: Invasive Species Challenge](#)

## Program Spotlight

---

### Helping Pollinators Thrive Across Napa

From outdoor classrooms to native plantings along the Vine Trail, we're teaming up with [Monarch Joint Venture](#) and other local partners to create vibrant spaces where pollinators and people can thrive. These community-driven projects are restoring habitat, boosting biodiversity, and sparking hands-on learning for the next generation.

## Announcements

---

## 2026 Climate-Friendly Garden Tour

The 2026 Climate-Friendly Garden Tour, co-hosted with City of Napa Water Division and UC Master Gardeners, will be held on Sunday, May 17, from 10am-4pm.

[Learn More →](#)

## Napa Climate Summit Coming March 26th

Join Napa RCD for two exciting presentations on how landscape-scale creek restoration and community-led climate action are shaping a more resilient Napa.

[Learn More →](#)

## Apply for the Emerging Environmental Leaders Scholarship Today

This scholarship celebrates the contributions of young leaders who partner with Napa RCD to care for the County's land, water, soil, wildlife, and communities.

[Learn More →](#)

## Beyond the Lawn: Napa County Water Conservation Video Contest

9-12 grade students are invited to submit a 45 second video reimagining a real public turfgrass lawn in Napa County using a low-water landscape design.

## Upcoming Events with Napa RCD

---

**3/7**

### **Volunteer: Tree Planting at the Napa Golf Course**

Join Napa RCD and the City of Napa Parks and Recreation from 9 AM- 12 PM for a hands-on urban forestry stewardship event. As part of the City of Napa's Urban Forestry Management Plan, volunteers will help plant new trees at the Napa Golf Course to expand long-term tree canopy, improve shade and cooling, and support a healthier urban ecosystem.

[Register Now](#)

**3/21**

### **Volunteer: Westwood Hills Invasive Plant Removal**

Support local restoration efforts by Joining Napa RCD and the City of Napa for our Westwood Hills Park Invasive Plant Removal series from 9 AM-12 PM on March 21st.

[More Info](#)

**4/12**

### **Wildland Fire Safety Training Annual Refresher**

The Yolo, Solano, and Napa PBAs, in partnership with the Watershed Research and Training Center, are hosting a regional RT-130 Refresher at Lake Solano Park from 9:30 AM to 3:30 PM. This course is for people who have completed S-130 and want to maintain their Firefighter Type 2, or higher, qualification.

[More Info](#)

## 4/18

### **Earth Day Napa Festival**

Join us at this free community event featuring environmental exhibits, interactive activities, and a full schedule of live entertainment, including local bands, music, and dance performances. Explore booths from regional organizations, enjoy food and beverages, and connect with programs and initiatives supporting environmental stewardship in Napa County.

## 4/20

### **Mediterranean Oak Borer Discussion**

Join Napa RCD, the City of St. Helena, and CALFIRE for a discussion on the Mediterranean Oak Borer. Learn what it is, how it has moved throughout the County, how it has impacted local trees, and what we can all do to help.

[More Info](#)

## 4/25

### **Volunteer: Earth Day Napa Community Cleanup**

Join Napa RCD and our many partners for this annual cleanup! We've got sites throughout the City of Napa, so we're sure you'll find a spot that works for you!
