Program Spotlight

Earth Day Napa Cleanup

Join Napa RCD and our many partners for this annual cleanup on April 25th! We've got sites throughout the City of Napa, so we're sure you'll find a spot that works for you! Want to lead the way for your pocket of the community? We're still looking for Site Captains to help keep everyone energized and safe at their project site.

Apply for the Emerging Environmental Leaders Scholarship Today

This scholarship celebrates the contributions of young leaders who partner with Napa RCD to care for the County's land, water, soil, wildlife, and communities. Apply by 4/30.

[Learn More →](#)

Free Vineyard Irrigation Evaluation Services

By measuring uniformity of water applied throughout the vineyard, results help growers identify opportunities to improve water use and performance of their irrigation systems and vines.

Upcoming Events with Napa RCD

4/14

Protecting Napa's Future Water Supply

As climate pressures intensify, understanding how water moves through our landscapes and how local actions can protect and restore natural systems has never been more important. Join Napa RCD's Executive Director, Lucas Patzek, along with other distinguished panelists exploring new developments in how our local water supply can be managed and what this means for watershed health, and long-term sustainability in Napa County.

[More Info](#)

4/18

Earth Day Napa Festival

Join us at this free community event featuring environmental exhibits, interactive activities, and a full schedule of live entertainment, including local bands, music, and dance performances. Explore booths from regional organizations, enjoy food and beverages, and connect with programs and initiatives supporting environmental stewardship in Napa County.

4/20

Mediterranean Oak Borer Discussion

Join Napa RCD, the City of St. Helena, and CALFIRE for a discussion on the Mediterranean Oak Borer. Learn what it is, how it has moved throughout the County, how it has impacted local trees, and what we can all do to help.

4/25

Volunteer: Earth Day Napa Community Cleanup

Join Napa RCD and our many partners for this annual cleanup! We've got sites throughout the City of Napa, so we're sure you'll find a spot that works for you!

[More Info](#)

5/9

Ride the River Bike Tour

Join us for a 6-mile bike ride along the Napa River to learn about infrastructure and ecology around Napa. The route is primarily flat terrain and includes 8 stops where staff from NapaSan, Napa RCD, City of Napa, and Napa County will highlight water and wastewater infrastructure, wildlife, restoration projects, stormwater protection, flood control, and more!

5/17

Climate-Friendly Garden Tour

Join us for a day of exploring beautiful, climate-smart gardens with the City of Napa Water Division and UC Master Gardeners of Napa County. Get inspired by drought-tolerant plants, rain gardens, edible landscapes, and smart irrigation ideas perfect for Napa.
